### **VTS Homes Receives Best Of Houzz 2014 Award**

*Annual Survey and Analysis of 16 Million Monthly Users Reveals Top-Rated Building, Remodeling and Design Professionals*

**Huntsville, Ala., February 7, 2014** – VTS Homes™, Inc., a leading custom homebuilder in north Alabama, has been awarded “Best Of Houzz” by Houzz, the leading platform for home remodeling and design. A builder of new homes that maintain the traditions of quality and character found in established neighborhoods, VTS Homes was chosen by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. VTS Homes received the Customer Satisfaction honor as determined by a variety of factors, including the number and quality of client reviews received in 2013.

“Houzz provides homeowners with the most comprehensive view of home building, remodeling and design professionals, empowering them to find and hire the right professional to execute their vision,” said Liza Hausman, vice president of community for Houzz. “We’re delighted to recognize VTS Homes among our “Best Of” professionals for customer satisfaction as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

At Houzz.com, homeowners can identify not only the top-rated professionals like VTS Homes, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and reviewing their responses to questions from others in the Houzz community.
